A FIELD OF STRAWBERRY PLANTS QUARTER MILE LONG.

150,000 Progressive Everbearing, Minnesota No. 3 and Senator Dunlap. Planted April 25 to 30, 1918, and Photographed Oct. 10, 1918.

Our Nursery is Inspected Annually by the State Entomologist.

OSLUND'S PLANTS are all grown on new ground which produces long, strong roots. Being grown for plants only, they are better. Let us prove it to you this spring.

OSLUND'S NURSERY, CAMBRIDGE, MINNESOTA.
